

NOTICE OF PUBLIC SAFETY BYLAW

Abolishing and Outlawing COVID Restrictions, Mandatory Vaccinations and other Unlawful, Unhealthy and Unwarranted Measures in our Community

Issued by The Oceanside Common Law Assembly (OCLA) on Monday, August 24, 2020

LET IT BE KNOWN that the regulations in Canada that restrict free movement and association, impose mandatory quarantines, distancing, medical testing and vaccinations, and require the wearing of masks are unlawful, unwarranted and medically unsound measures that threaten and assault the fundamental liberties, health and security of the people of our community and violate the internationally recognized legal right of free and informed consent that governs all medical procedures. (*Nuremberg Code, 1947*)

THEREFORE IT IS ORDERED by the Oceanside Common Law Assembly as a voice and defender of the people of our community that a) no-one is obligated to consent to or comply with any of these regulations, regardless of what authority, person or individual is ordering or compelling them, and b) anyone is free to actively resist and disobey such regulations and measures by any means necessary without fear of legal consequence.

IT IS FURTHER ORDERED by the Assembly that any individual, official, body corporate or their agent that requires or imposes any of these regulations on anyone in our community is taking part in a criminal conspiracy against their life, wellbeing and liberty, and stands in violation of this Order. As one engaged in a crime, the offender is subject to penalties and imprisonment upon conviction by the Common Law Court of Parksville, British Columbia.

This Order is issued on August 24, 2020 as a legal Bylaw by the Oceanside Common Law Assembly and has the full effect and force of the Law.

All police authorities are expected and compelled by law to enforce this Bylaw or be charged with obstructing justice and democratic process.
